

- 1) Open Google Chrome and select the “More Tools”.
- 3) Then select “Extensions”.

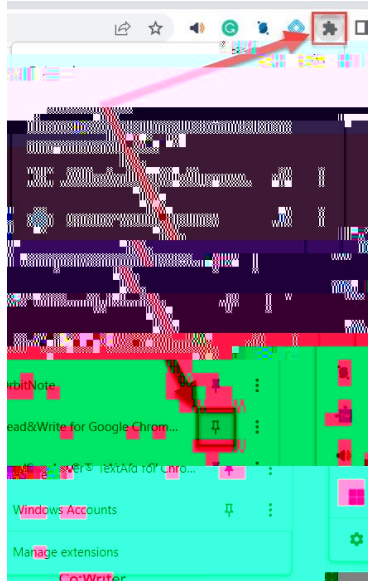

- 4) Select “Main Menu” icon (three lines) on the Extensions page.

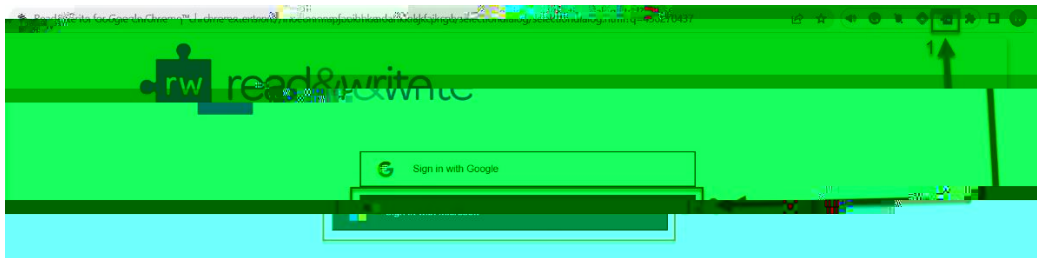

- 5) Select “Open Chrome Web Store” button at the bottom of the page.

- 11) Select the “Extensions” icon on your Google Chrome toolbar, then select the “Pin” icon next to the Read&Write for Google Chrome extension to pin it to your toolbar.

- 12) Select the “Read&Write” plugin.
13) The first time you log in, you’ll need to select the “Sign in with Microsoft” option and sign in with your NBCC account.

- 14) The Read&Write player will then load for you to begin using.
